By recording the information requested below and subject to the foregoing terms and conditions, you will be able to call HorsePlayer Interactive or visit us online at www.HorsePlayerInteractive.com during operating hours to request an immediate deposit into your wagering account via your Credit Card.
Please note that this is treated as a cash advance by the credit card companies and therefore will be subject to interest from the time the transaction is processed.

You must provide a copy of one of the following forms of valid government issued photo ID in order to register a credit card:
Visa - driver's license (front and back), passport, permanent resident card, citizenship card, photo identification card (BC and AB customers only).
MasterCard – driver's licence (front and back)
Please note that photo health cards are not considered a form of valid government issued photo ID for credit card registrations.

You may register up to three credit cards, Visa or Master Card only. Once this form is complete and accepted at HorsePlayer Interactive, you simply call us in the call centre or select HPIFund from our website to request an immediate deposit.

Please include a photocopy on a light setting of the front and back of your credit card(s). Please ensure that the back of the credit card has been signed and the signature is legible.
